

Angelia

Richard Marx

Memories of you and me
Tumble inside my head
The way that we used to be
Things that we saidNo one has ever made me believe so strong
You left me to wonder
How did our love go wrongAngelia
Where you running to now
Angelia
Got to make you turn aroundI lie awake at night
Wait for the sun to shine
I still feel you next to me
Your lips on mineWithout a warning
You made our love a lie
You said you were sorry
But you never told me whyAngelia
Where you running to now
Angelia
Got to make you turn aroundMaybe my love is in vain
Maybe you're the hurting kind
Can't take no more of this pain
I've got to get you off my mindTried to be what you wanted
I gave you all I had
You left me with nothing
Nothing but a photographAngelia
Where you running to now
Angelia
Won't you please turn around
Angelia
Where you running to now
Angelia
Where you running to now
