I Have a Problem

Nomy

But I don't understand right now,
what you try to tell me.
I'm gonna concentrate somehow,
explain it to me slowly.
Give me an extension cord,
so I can understand you.
I know it looks like I'm aboard,
but I don't really have a clue.And everybody knows
And everybody knowsI got a problem like a loaded gun.
Did you know that I never won?
Confrontations I ever done
Gonna blow like a loaded gunI got a problem like a loaded gun.
Did you know that I never won?
Confrontations I ever done
Gonna blow like a loaded gunBut I don't understand right now,
why everybody's leaving.
I'm gonna concentrate right now
and find another reason.
Give me an extension cord,
so I can understand you
I know it looks like I'm aboard,
but I don't really have a clue.And everybody knows
And everybody knowsI got a problem like a loaded gun.
Did you know that I never won?
Confrontations I ever done
Gonna blow like a loaded gunI got a problem like a loaded gun.
Did you know that I never won?
Confrontations I ever done
Gonna blow like a loaded gunBut I don't understand right now
what you try to tell me
I'm gonna concentrate somehow,
Explain it to me slowly.
Give me an extension cord,
so I can understand you
I know it looks like I'm aboard,
but I don't really have a clue.I got a problem like a loaded gun.
Did you know that I never won?
Confrontations I ever done
Gonna blow like a loaded gunI got a problem like a loaded gun.

Did you know that I never won?
Confrontations I ever done
Gonna blow like a loaded gunI got a problem like a loaded gun.
Did you know that I never won?
Confrontations I ever done
Gonna blow like a loaded gunI got a problem like a loaded gun.
Did you know that I never won?
Confrontations I ever done
Gonna blow like a loaded gun
