

Crying in the Rain (Celvin Rotane Mix)

Culture Beat

Crying in the rain
Stop that crying, stop that lying, it's boring me
I don't wanna spend my time with you
Stop to think that once you brought me to ecstasy
Give me the loving that I really need
Stop that crying in the rain now
No more crying in the rain
Who said that crying in the rain
Could ever wash away a lover's pain?
Oh, oh, crying in the rain now
No more crying in the rain now
Who said that crying in the rain
Could ever wash away a lover's pain?
Stop, you breathe you lie
Loops got you lost I can't hear you
Treason took a try
Desperate drown in dirty things
Juvenile jazz you hide
Can't lose no love from day I shared
Faint twinkle in your eyes
Weary from how you earn your things
You slip from sliding slowly
Slither, sneaky, simple for a snake
Poser in pursuit of passion
Can't rush my quiver fake a quake
Betrayal, disarray
Leave a soft one crying in the pain
Deceitful, full of that couldn't care less
If you're crying in the rain
Stop that crying, stop that lying, it's boring me
I don't wanna spend my time with you
Stop to think that once you brought me to ecstasy
Give me the loving that I really need
Stop that crying in the rain now
No more crying in the rain
Who said that crying in the rain
Could ever wash away a lover's pain?
Oh, oh, crying in the rain now
No more crying in the rain
Who said that crying in the rain
Could ever wash away a lover's pain?
Crying in the rain
Fake, no truth, no real
Trapped in your toss
Can't shake aching, fictions all you feel
Make up to hide, make up of self
Wicked with step ahead of skills
Menial madness molds your making
Plot to place for prize
Weak known wonders for wealth
You dig the dirt well deep in darkness
Dare to deal on the down low
Tripping for treasures, plastic pleasures

Headline in some kid side show
A taste of a thrill got to have glitter
Serpents seem to savor show
Fool can't afford to feign alone
You're crying in the rain
No more crying in the rain
No more driving me insane
No more crying
Stop that crying, stop that lying, it's boring me
I don't wanna spend my time with you
Stop to think that once you brought me to ecstasy
Give me the loving that I really need
Stop that crying in the rain now
No more crying in the rain
Who said that crying in the rain
Could ever wash away a lover's pain?
Oh, oh crying in the rain now
No more crying in the rain now
Who said that crying in the rain
Could ever wash away a lover's pain?
Give me the loving that I really need
Give me the loving that I really need, really need
Oh, baby
Oh, oh crying in the rain now
No more crying in the rain now
Who said that crying in the rain
Could ever wash away a lover's pain?
