

The Death Of You And Me

Noel Gallagher

High tide
Summer in the city
Kids are looking pretty
But isn't it a pity
That the sunshine
Is followed by thunder
With thoughts of going under
And is it any wonder
Why the sea's
been calling out to me
I seem to spend my whole life, running
From people who would be
The death of you and me
'Cause I can feel the storm clouds sucking up my soul
High tide
Life is getting faster
And no one has the answer
I try to face the day down in a new way
The bottom of the bottle
Is every man's apostle

Let's run away together
You and me
Forever we'd be free
Free to spend our whole lives, running
From people who would be
The death of you and me
'Cause I can feel the storm clouds sucking up my soul
Let's run away to sea
Forever we'd be free
Free to spend our whole lives, running
From people who would be,
The death of you and me
'Cause I can feel the storm clouds coming
I'm watching my TV
Or is it watching me?
I see another new day, dawning
It's rising over me
And my mortality

And I can feel the storm clouds
sucking up my soul
