

That's A Good Idea

Otis Redding

You make me wanna just dance and sing
You make me feel like I'm a natural man
You tell me when you want to come and go
Make me say I want a little bit more, listen
 What you want, how you want
When you want, every time you want it
 That's a good idea
 Yes it is, babe, it's a good idea
 Let me tell you soemthin', now
 You make me spend my money
 That's a fact, yes, it is now
You, little girl, you show me where I'm at
 Yes, you do, mama now
Won't you kick of your shoe little woman?
 Throw 'em on the floor now, baby
 Kick off your shoe, little honey
 Throw 'em on your daddy's table
 'Cause what you want, how you want
When you want, every time you want it
 That's a good idea
 Yes, it is, babe, a real groovy idea

 Let me tell you
 You a just pretty as a movie star
 So sweet as a chocolate candy bar
 Let me tell you somethin'
Won't you kick of your shoe, little honey?
 Throw 'em on the floor now, babe
 Kick off your shoe, little honey
 Throw 'em on your daddy's table
 'Cause what you want, how you want
When you want, every time you want it
 It's a good idea
 Yes, it is, babe, a real groovy idea
 If you wanna go to the movie
 It's a good idea
 Downtown, shoppin'
 It's a good idea
 If you wanna go to the drugstore

It's a groovy idea
If you wanna make love
