

Bring My Baby Back

Gary Moore

Well, I'm standin' at the station
A suitcase in my hand
I'm standin' at the station
A suitcase in my handBut that train
Won't bring my baby back
No, that train
Won't bring my baby backWell, she left me here this morning
To meet another man
She left me here this morning
To meet another manBut that train
Won't bring my baby back
No, that train
Won't bring my baby back, oh noGonna look for my sweet baby
A suitcase in my hand
Gonna look for my sweet baby
A suitcase in my handAnd that train
Won't bring my baby back
Yeah, that train
Won't bring my baby back
Bring her home, yeahWell, I'm standin' at the station
A suitcase in my hand
Lord, I'm standin' at the station
A suitcase in my handBut that train
Won't bring my baby back
No, that train
Won't bring my baby back, yeah
Bring her home, yeahMove along
Move along
Move along
