

# Salute

## Whitney Houston

You say you wanna walk away  
you ain't got nothin' to say

I salute you, yeah  
go on out the door  
now, you take care

No more tears to shed  
what, you expectin' me to beg?  
well, I'm not. I'm done.

so when you leave just close the door behind you.

'cause...

(I'm feelin' kinda taller than you), lately  
(I'm feelin' kinda stronger than you) ahh lately  
(I'm feelin' kinda better than you)

and I know just what to dooo ooh

(I feel like doin' my hair) my hair  
(I feel like callin' some of my friends)  
some of my girlfriends  
(I feel like goin' to a club) and partyin'

chorus:

'cause I'm a soldier girl, in this world

I stand alone, I can be strong  
I walked for miles, I made it home  
it's good to know without you I made it  
Soldier girl in my world

I took the fall, now I stand tall for the pain and all  
I made it through and now all I got to say to you:

salute

eh eh eh (eh)  
eh eh eh (eh)

salute

eh eh eh eh  
eh eh eh eh

you think you know everything  
and you think that your sh\*t don't stink  
well it do, heh, and when it comes to me  
you don't have a clue

took me all of these years to realize that you don't belong here  
I can do better  
You say, 'T'll never do better"  
yeah right, whatever

'cause

(I'm feelin' kinda taller than you) lately  
(I'm feelin' kinda stronger than you) aah baby, lately  
(I'm feelin' kinda better than you)

and I know just what to do, ooh woo ooh

(I feel like doing my hair) my hair  
(I feel like callin' some of my friends) my girlfriends  
(I feel like going to a club) do some partying!

repeat chorus

So don't call it a comeback, nah  
I been here for years  
through all the drama and the pain and all of the tears  
time to stop this roller coaster  
see, I wanna get off  
and start moving mountains, swimming seas and  
climbing over walls!

repeat chorus
