## Angie Brown

Da-da-da a-doo da-da  
Da-da-da a-doo da-da-da

Why waste your time?  
You know you're gonna be mine  
You know you're gonna be mine  
You know you're gonna be mine

Why waste your time?  
You know you're gonna be mine  
You know you're gonna be mine  
You know you're gonna be mine

Why waste your time?  
You know you're gonna be mine  
You know you're gonna be mine  
You know you're gonna be mine

Why waste your time?  
You know you're gonna be mine  
You know you're gonna be mine  
You know you're gonna be mine

I'm gonna get you, baby  
I'm gonna get you, yes I am  
I'm gonna get you, baby  
I'm gonna get you, yes I am

I'm gonna get you, baby  
I'm gonna get you, yes I am  
I'm gonna get you, baby  
I'm gonna get you, yes I am

Why waste your time?  
You know you're gonna be mine  
You know you're gonna be mine  
You know you're gonna be mine

I'm gonna get you, baby  
I'm gonna get you, yes I am  
I'm gonna get you, baby  
I'm gonna get you, yes I am
