Slowly, Slowly

Magnapop

I feel coarse and strain
Interrupt my mind again
I am being clear
I am sad to say, Im living hereI do it all the time
I do it all the timeIt tries to interrupt me
Interrupt my mind
In a quiet room, you wait
In another room, they fightThey do it all the time
They do it all the time
They do it all the time
They do it all the timeSingle fear
Clearly defined, Im wasting time again
Slowly coarse and strain go
Counting fear again, noStaring eye to eye
Then slowly me again
In another room they sit
Listening to other liesAnd do it all the time
And do it all the time
And do it all the timeSingle fear
Clearly defined, Im wasting time again
Slowly coarse and strain go
Counting fear again, noStaring eye to eye
Then slowly me again
Slowly, slowlySlowly me again
Slowly me again
Slowly me again
Slowly me againSlowly me again
Slowly me again
Slowly me again
Slowly me again
