

# Love Will Set You Free

## Whitesnake

Something in your smile was so inviting  
Something in your eyes told me to stay  
Something in your touch electrified me  
Completing me in every single way  
Now I realize as I look in your eyes

This must be love

Baby try to understand my heart is your hand

Chorus

Love will set you free

Love will set you free

You can trust in me

My love will set you free

Set you free

Every time I think about you baby

Every time I see your smiling face

Every time I feel your loving arms

Around anekatips me guilty pleasures

Take up all my time & space

Now I realize as I look in your eyes

This must be love

Baby try to understand my heart is in your hand

Chorus

Love will set you free

Love will set you free

You can trust in me

My love will set you free

Set you free

Set you free, set you free!

guitar solo

Now I realize as I look in your eyes

This must be love

Baby try to understand my heart is in your hand

Chorus

Love will set you free

Love will set you free

You can trust in me

My love will set you free

Set you free, set you free
