

# Gold (Flume Re-Work)

## Chet Faker

You gotta know, I'm feeling love  
Made of gold, I'll never love a  
Another one, another you  
It's gotta be love I said itYou gotta know, I'm feeling love  
You gotta know, I'm feeling loveYou gotta know, I'm feeling love  
Made of gold, I'll never love a  
Another one, another you  
It's gotta be love I said itI might as well be in a garden  
I said, ah  
A smell in the air is a drip in the waters (you could be the one for me)  
Another soul to meet my void then  
Of anything bare that's made of goldA physical kiss is nothing without it  
And you close your eyes to see what it's done  
The body that lies is built up on looking  
Cause all that remains before it's begunYou gotta know, I'm feeling love  
Made of gold, I'll never love a  
Another one, another you  
It's gotta be love, I said itYou gotta know, I'm feeling love  
Made of gold, I'll never love a  
Another one, another you  
It's gotta be love, I said itA heart will swell before it's hardened  
With the flick of the hair, it can make you old  
Another hole to dig my soul in  
I'll leave anything bare that keeps me soulA physical kiss is nothing without it  
And you close your eyes to see what it's done  
The body that lies is built up on looking  
Cause all that remains before it's begunYou gotta know, I'm feeling love  
Made of gold, I'll never love a  
Another one, another you  
It's gotta be love, I said itYou gotta know, I'm feeling love  
Made of gold, I'll never love a  
Another one, another you  
It's gotta be love, I said itYou gotta know, I'm feeling love  
Made of gold, I'll never love a  
Another one, another you  
It's gotta be love, I said it
