Be Glorified

True Worshippers

Your love has captured me
Your grace has set me free
Your life the air I breathe
Be glorified in meYour love has captured me
Your grace has set me free
Your life the air I breathe
Be glorified in meYou set my feet to dancing, you set my heart on fire
In the presence of a thousand kings, you are my one desire
And I stand before you now with trembling hands lifted high
Be glorifiedYour love has captured me
Your grace has set me free
Your life the air I breathe
Be glorified in meOh yeah you set my feet to dancing, you set my heart on fire
In the presence of a thousand kings, you are my one desire
And I stand before you now with trembling hands lifted high
Be glorifiedBe glorified in me, be glorified in me
Be glorified in me, be glorified
Be glorified in me, be glorified in me
Be glorified in me, be glorifiedYou set my feet to dancing, you set my heart on fire
In the presence of a thousand kings, you are my one desire
And I stand before you now with trembling hands lifted high
Be glorified, be glorified
Be glorified, be glorified
