

# Morning Wood

**J Chris Newberg**

Get up!  
Cause I been up for hours  
Forecast, I'm cover in morning showers  
I bet today I'm gonna know her  
Then again I am thinking with a boner  
Morning Wood  
Good morning you look so good  
Morning wood good morning  
Good morning wood

It's hard  
In dreams I have directions  
I wake with this erection  
My life completes the day I meet her  
P.S. I hope she likes action figures

Morning Wood  
Good morning you look so good  
Morning wood good morning  
Good morning wood  
Morning Wood  
Morning Wood  
Morning Wood  
I got wood
