Where I Wanna Be

Jay Sean

Ohh, no no no no no
Baby, I'm so sorry
Said I left my baby girl a message
Said I won't be coming home
I'd rather be alone
She doesn't fully understand me
'Cause I'd rather leave
Than to cheat
If she gives me some time
I can be the man she needs
But there's a lot of lust inside of me

And we've been together since our teenage years
I really don't mean to hurt her
But I need some time to be alone
'Cause when you love someone
You just don't treat them bad
Oh, how I feel so sad now that I wanna leave
She's crying her heart to me
How could you let this be
I just need time to see where I wanna be
Where I wanna be
