

# Troubled Boy

Kid Cudi

It seems  
No one wants a troubled boy  
Leave alone the troubled boy  
So it seems  
No one wants a troubled boy  
Leave alone the troubled boy  
I've learned  
No one wants a troubled boy  
All they know is trouble boy  
And I've learned  
No one wants a troubled boy  
Show them you're a stronger boyMmmIt seems  
No one wants a troubled boy  
Leave alone the troubled boy  
So it seems  
No one wants a troubled boy  
Leave alone the troubled boy  
And I've learned  
No one wants a troubled boy  
All they know is trouble boy  
And I've learned  
No one wants a troubled boy  
Show them you're a stronger boyStill have  
(No one)  
Still have  
(No one)It seems  
No one wants a troubled boy  
Leave alone the troubled boy  
It seems  
No one wants a troubled boy  
Leave alone the troubled boy  
And I've learned  
No one wants a troubled boy  
All they know is trouble boy  
And I've learned  
No one wants a troubled boy  
Show them you're a stronger boyGoodbye
