In the Shadow of the Inverted Cross

Sorcerer

We turned our face from God and never spoke his name
The Holy Script became a book of lies
We buried our faith to live our life in shame
Now the time has come to pay the priceA vicious darkness closes in
They will atone our mortal sins
We all shall dieAngels are burning
Falling like leafs to the ground
Twisting and turning
In the shadow of the inverted cross
Eternal is the night and evil has prevailed
We all have past the point of no return
Agony and pain, our souls have been enslaved
Forever and ever we shall burnA vicious darkness closes in
They will atone our mortal sins
We all shall dieAngels are burning
Falling like leafs to the ground
Twisting and turning
In the shadow of the inverted crossAngels are burning
Falling like leafs to the ground
Twisting and turning
In the shadow of the inverted cross
Angels are burning
Falling like leafs to the ground
Twisting and turning
In the shadow of the inverted cross
