Loving You Is Sweeter Than Ever

Bryan Ferry

I remember just before we met
When every night and day
I had to live with a life of a lonely one
I remember meeting you
Discovering love could be so cruel
And shared by two still an only one (only one)
Then you said you loved me (then you said you loved me)
We could not be parted (we could not be parted)
Said I built my world around you (built my world around you)
I'm so thankful that I found youBecause loving you has made my life sweeter than ever
I've never felt like this before
Loving you has made my life so much sweeter than everEach night I said we'd never part
For the love within my heart grows stronger
From day, day to day
As best I can, how I tried
To reassure you and satisfy you
'Cause I'd be lost if you went away (went away)
'Cause I really need you (really really need you)
And I need for you to need me too (need for you to need me too)
I built my world around you (built my world around you)
I'm so thankful that I've found you'Cause loving you has made my life sweeter than ever, oh yes it has
Yes loving you has made my life so much sweeter than ever
