Here With Me

Burn Halo

If I could somehow take back all these lies
Finally put down this disguise
Get you back, back where you belong
If I could take back all the shit I've done
Make you see that you're the one
It started out so right, it went so wrong
Tell me baby how did it go so wrong?
Please don't ever go away no matter what I say
You've got to know how much I need you
Please don't let it go to waste, all the memories we've made
'Cause they won't mean a thing if you're not here with me
Do you remember how we used to talk
About running away just to get lost?
I wish that you were here with me tonight
Tell me baby how to make this right?

Please don't ever go away no matter what I say
You've got to know how much I need you
Please don't let it go to waste, all the memories we've made
'Cause they won't mean a thing if you're not here with me
If I could lay you on my bed
If I could hold you once again I'd never let you go
Take your time, let's do this right
Just know that I'll be waiting
Please don't ever go away no matter what I say
You've got to know how much I need you
Please don't let it go to waste, all the memories we've made
'Cause they won't mean a thing if you're not here with me
If you're not here with me, I want you here with me
