

Pleasure, Little Treasure (Glitter Mix)

Depeche Mode

Pleasure, little treasure
Pleasure, little treasureEverybody's looking for a reason to live
If you're looking for a reason, I've got a reason to give
Pleasure, little treasureEverybody's looking for someone to follow
 Finding the whole thing hard to swallow
 Everybody's looking for a reason to live
 If you're looking for a reason, I've got a reason to give
Pleasure, little treasureEverybody's looking for a new sensation
 Everybody's talking 'bout the state of the nation
 Everybody's searching for a promised land
 Everybody's failing to understand
Pleasure, little treasureEverybody's looking for a reason to live
 If you're looking for a reason, I've a reason to give
Pleasure, little treasureMaternity frocks and paternity suits
 If that's what you want, they're waiting for you
 Everybody needs some reason or other
 You'll find the reason when you discover
Pleasure, little treasureEverybody's looking for a reason to live
 If you're looking for a reason, I've a reason to give
Pleasure, little treasurePleasure, little treasure
 Pleasure, little treasure
 Pleasure, little treasure
