Take Me Away

Lifehouse

This time all I want is you
There is no one else
Who can take your placeThis time you burned me with your eyes
You see past all the lies
You take it all awayI've seen it all and it's never enough
It keeps leaving me needing youTake me away
Take me away
I've got nothing left to say
Just take me awayI try to make my way to you
But still I feel so lost
I don't know what else I can doI've seen it all and it's never enough
It keeps leaving me needing youTake me away
Take me away
I've got nothing left to say
Just take me awayDon't give up on me yet, don't forget who I am
I know I'm not there yet, but don't let me stay here aloneThis time all I want is you
There is no one else
Who can take your placeI've seen enough and it's never enough
It keeps leaving me needing youTake me away
Take me away
I've got nothing left to say
Just take me awayYou take me away
Take me away
I've got nothing left to say
Just take me away
