Main Aur Tum Lyrics

Dard dilon ke kam ho jaate
Main aur Tum agar hum ho jaate
Main aur Tum agar hum ho jaate

Donâ€™t play around, canâ€™t you see it?
How everyone knows about you and me
Jaane kyun itni haseen hai
Youâ€™re breaking my heart in them skinny jeans

No we donâ€™t need luck to win the lottery
p-p-pocket full of love girl just wait and see
How can we be losing if weâ€™re winning babe?
So stay right here

And donâ€™t let go
Dil tod na mainu apna le
You already know
Duniya de ghama nu bhula ke
Main aur tum agar hum ho jaate
Main aur tum agar hum ho jaate

Letâ€™s turn this around, make it easy
How long we gon b creeping in and out the house?
Hum dono ki yehi taqdeer hai
Thereâ€™ll never be an us if we donâ€™t do this now

No we donâ€™t need luck to win the lottery
p-p-pocket full of love girl just wait and see
How can we be losing if weâ€™re winning babe?
So stay right here

And donâ€™t let go
Dil tod na mainu apna le
You already know
Duniya de ghama nu bhula ke
Main aur tum agar hum ho jaate
Main aur tum agar hum ho jaate

I know youâ€™ll wait for me girl
Donâ€™t know how long we got but weâ€™ll make it work
You left me once so love me twice till it hurts
Love me love me tonight (love me tonight)

Cause you were made to be loved
There aint no science your my angel on earth
You left me once so kiss my twice till it burns
Love me love me tonight (love me tonight)

Goooo
Dil tod na mainu apna le
You already know
Duniya de ghama nu bhula ke
Main aur Tum agar hum ho jaate
Main aur Tum agar hum ho jaate

Door wo saare bharam ho jaate
Main aur Tum gar Hum ho jate
Main aur Tum gar Hum ho jate

We were united
Then united we stand
It all would be simple
Girl if you would be mine

Kitne haseen aalam ho jaate
Main aur Tum gar Hum ho jaate

Main aur Tum agar hum ho jaate
Main aur Tum agar hum ho jaate
