

# Have To Go Through It

[Tamia](#)

[Tamia] (Eric Benet)  
(There ain't no joy without pain)  
[And there ain't no sunshine without rain]  
(And there are no couples who are problem free)  
[no and there ain't no body who can make me happy]Both:  
I have to go through it with somebody  
And maybe that somebody is you  
I have to go through it with somebody  
And I want that someone to be you(what would we do) [what would we do]  
(Where would we go)[(where would we go]  
(what would tell me that I do not know)  
[i now that you're mine  
I know that you're fine  
So you're are not perfect I really don't mind]  
(now were gonna argue and were gonna fuss  
That's gonna happen that is called love)  
[and were gonna break up were gonna make up  
Let's stay together you're love will take us]both:  
I have to go through it with somebody  
And maybe that somebody is you  
I have to go through it with somebody  
And I want that someone to be you
