Gravity

Shawn McDonald

The ways of this world are grabbing a hold
Won't let me go, won't let me fly by
Its taking it's toll down on my soul
Cause I know what I need in my life
Don't let me lose my sight of You
Don't let me lose my sightI don't want to fall away from You
Gravity is pulling me on down
I don't want to fall away from You
Gravity is pulling me to the groundThis world keeps making me cry
But I'm going to try, going to try to fly, gotta fly high
Don't want to give into the sin
Want to stay in You til the end
Don't want to lose my sight of You
Don't want to lose my sightI don't want to fall away from You
Gravity is pulling me on down
I don't want to fall away from You
Gravity is pulling me to the groundI want to fly into the sky
And turn my back on this whole world and leave it all behind
This place is not my home, it's got nothing for me
Only leaves me with emptiness and tears in my eyesI don't want to fall away from You
Gravity is pulling me on down
I don't want to fall away from You
Gravity is pulling me to the groundI don't want to fall away from You
Gravity is pulling me on down
I don't want to fall away from You
Gravity is pulling me to the ground
