

Headspin (Acoustic)

Lukas Rossi

I feel you in my bones.
Your temper, the reason I am.
You'd be so, you'd be so proud of your son.
You'd be so, you'd be so proud of your son.
Your only son.
Spiders crawl up the wall.
And I follow. Then I hear you say
"Let's live for the moment this time".
Why don't you just make up your mind?
You make my headspin.
You make my headspin.
Why?
Why do you?
You make my headspin.
You make my headspin.
Why?
Why do you? You love to build me up.
Just to tear me down. (But why?)
Wouldn't it be nice?
If we found paradise, someday? Then I hear you say
"Let's live for the moment this time".
Why don't you just make up your mind?
You make my headspin.
You make my headspin.
Why?
Why do you?
You make my headspin.
You make my headspin.
Why?
Why do you? Then I hear you say you want to be alone.
Was this some mistake? How would we ever know?
I can hear you scream at me.
Scream at me. I'm not perfect.
I'm not perfect.
No one is.
I'm not perfect.
I'm not perfect. Yeah.
Cuz that's the way I want to live my life.
Without your curse.

Without your curse.
Cuz thats the way I want to live my life.

Without your curse.

Without your curse.

Yeah. You make my headspin.

You make my headspin.

Why?

Why do you?

You make my headspin.

You make my headspin.

Why?

Why?
