Where Dreams Go To Die

Queensryche

Your beauty is unstoppable
Your confidence unspeakable
I know you know, I know you know
That I know that you know
I'm willing to do anything
To get attention from you, dear
Even though I don't have anything
That I could bargain with

This is like a well oiled machine
Could I see that smile again
It's all that makes me feel
That I'm living in this world
Seeing you closing all the doors
I see the walls as they go up
I know it's what you have to do
I'd probably do the same thing too, my dear

Baby, you're where dreams go to die
I regret the day your lovely carcass caught my eye
Baby, you're where dreams go to die
I've gotta to get away
I don't want to
But I have to try, oh baby

You have to play your part, my dear
I've written it all down for you
It doesn't matter if the things
You say to me aren't true
Just do it, and I'll let you go
Just say the words and say them slowly
I promise I'll tell no one
Yes I crossed my heart and hope to die

Baby, you're where dreams go to die
I regret the day your lovely carcass caught my eye
Baby, you're where dreams go to die
I've gotta to get away
I don't want to

But I have to try, oh baby

Whooohoo baby
Whooohoo baby
Whoo baby, please
