All I Wanted

Paramore

Think of me when you're out, when you're out there
I'll beg you nice from my knees
And when the world treats you way too fairly
Well it's a shame I'm a dreamAll I wanted was you
All I wanted was youI think I'll pace my apartment a few times
And fall asleep on the couch
Wake up early to black and white re-runs?
That escaped from my mouthOh, ohAll I wanted was you
All I wanted was you
All I wanted was you
All I wanted was youI could follow you to the beginning
And just to relive the start
And maybe then we'll remember to slow down
At all of our favorite partsAll I wanted was youAll I wanted was you
All I wanted was you
All I wanted was you
All I wanted was you
