

Carry On

[Brody Dalle](#)

Where do you go when you feel like there's nowhere to go?
When you're crawling to get out of inside yourself
And run for the door
How do you know which way to go?
Do you follow somebody else? All I really know,,,is that I'll carry onI'm gonna carry onI'm getting closer to
something; I don't know what it is
I am ready to be free from the past,
Let it all go and move on
Will you be there waiting for me my long lost patient friend?
Can we start again?
Can we carry on?I'm gonna Carry on
Say hello to my little friend
