

# Hateful Hate

## 10000 Maniacs

In the dark night a giant slumbered  
Untouched for centuries  
'Til awakened by a white man's cry  
"This is the Eden I was to find" There were lands to be charted  
And to be claimed for a crown  
When a hero was made by the length he could stay  
In this dangerous land of hateful hate Curiosity, filled the heads of these  
There was an upper room, they had to see  
Curiosity, killed the best of these  
For a hero's hometown welcoming Still they moved on and on and  
Who came building missions?  
Unswerving men of the cloth who gave their lives in numbers untold  
So that black sheep entered the fold Captured like human livestock, destined for slavery  
Naked, walked to the shore where great ships moored  
For the hell bound journeys  
Bought and sold with a hateful hate Curiosity, filled the breasts of these  
With some strange ecstasy  
Curiosity, killed the best of these  
By robbing their lives of dignity Still they moved on and on and  
Calling men of adventure for a jungle bush safari  
Come conquer the peace, his claws and teeth  
See death in his eyes to know you're alive European homesteads  
Grew up in the colonies with civilized plans  
For wild hinterlands, their guns and God willing  
Such a hateful hate, such a hateful hate Curiosity, spilled the blood of these  
For their spotted skins and ivory  
Curiosity, filled the heads of these  
Madmen with the lies of destiny Curiosity, spilled the blood of these  
Then blotted their lives from history  
Curiosity, filled the heads of these  
One man claimed all that he could see Curiosity, still entices these  
Madmen with a lusting and a greed  
Their legacy, legacy
