Run For Cover

Conjure One

The wind it cries familiar songs
And now it's time to put on the armor
. . . it's the calm before . . .It came to me in a dreamNo warning signs
Time to decide on a flight
A new destination
I feel it coming . . .It came to me in a dreamTake your lover
Run for cover
The thunder's rolling in
Take your lover
Run for cover
The tides are crashing inIt came to me in a dreamThe wind it cries familiar songs
And now it's time
A new destination
I feel it comingTake your lover
Run for cover
The thunder's rolling in
Take your lover
Run for cover
The tides are crashing inIt came to me in a dream
(The thunder's rolling in)
Take your lover
Run for cover
The tides are crashing inIt came to me in a dreamTake your lover
Run for cover
The tides are crashing inHold on tight the tides will take it
Don't be frightened, pleasant changesIt came to me in a dreamThe wind it cries familiar songs
Leave it all behind
The burden goneIt came to me in a dream
