

# World War

## Combat 84

There's flames in the city  
and theres fire in the town  
World War has been declared  
And the Argentine is burning downIts the day to bomb a nation and the day to bomb a country  
It's the end of a nation and the end of a countryIts World war now  
And i don't know why  
Falkland islands in flames  
and they're all gonna die  
It's arm yourself now  
and be prepared  
Its kill all sides and don't be scared
