

# I Won't Believe in You

## No Fun at All

am tired of your lies  
Behind your false disguise  
And I will never pay the price  
One thing I know it's true  
I'll always fighting you  
Nothing else I rather do  
I wont believe in you I wont believe in you  
No matter what you say I wont believe in you  
Ooouh I wont believe in you  
No matter what you say I'll never go your way
