Nothing Matters But You (Bonus)

The Young Veins

Since we met
I sit around and want you
I don't do the things I oughta do
I'm so in love I let the world go by me
Nothing matters but you
Nothing matters but youEvery dream I dream
I dream about you
Lovin you is all I want to do
I'm so wrapped up that nothing can untie me
Nothing matters but youMost folks need a world to conquer
Something big to do
They don't know the worlds I conquer
When I'm kissing youLet them all go chasing after rainbows
I have found my pot of gold in you
Your love is all I need to satisfy me
Nothing matters but you
Nothing matters but you
