

In the Air

Buju Banton

Can u feel it ... can u feel it
in the air
can u feel it
It is ho so near
can u see it
it is ova there
coming down on every soul
taking complete control
can u feel it , in the air
can u feel it
can u see it , it is ova therereaching down on every soul
taking complete control
magical mystic
friends i'm not sure
whateva that feeling , give me some more
jah u see me let my mind
never have i felt such great feeling not in this lifetimecan u feel it
in the air
can u feel it
it is oh so near
can u see it, it is ova there
reaching down on every soul
full and complete control
once more again
words from the wind whispers in my head
gently ...let no tear shed , now everybody knows , musicakes me where my heart wants to go ...
