

Circles

Switchfoot

Another day, another sunrise
Another factory call
Another night, another sunset
Another freefall In my life
In my own purpose
Within the weakness
Within the weakness Spinning out in circles
In circles, in circles
Spinning out in circles
In circles, in circles Another day, another lifetime
Another engine stalls
Another line, another freeway
Another freefall In my life
In my own purpose
Within the weakness
Within the weakness Spinning out in circles
In circles, in circles
Spinning out in circles
In circles, in circles
In circles, in circles Ive lost all that I wanted to leave
Ive lost all that I wanted to be
Dont believe that theres nothing this true
Dont believe in this modern machine
The modern machine
In circles Spinning, spinning
In circles, in circles
Spinning out in circles
In circles, in circles
In circles, in circles
