

# Rain on Me

Zox

Let the color all drain out  
Won't you draw the curtains down on me?  
Silence never spoke so loud  
It's what i need  
So let me be  
With my diseasePlease don't let it rain on me  
Because i realize i can't rely on you for what i need  
Please don't let it rain on me  
Cause i ain't got no shelter from this stormOn market street cars all stand still  
This city is so beautiful tonight  
I'll drink you up to get my fill  
But i don't beleive  
It's come to these  
So naturallyPlease don't let it rain on me  
Because i realize i can't rely on you for what i need  
Please don't let it rain on me  
Cause i ain't got no shelter from this storm
