

# Piano Lessons Can Be Murder

**Dr. Acula**

I've come here to chew bubble gum and kick ass  
and im all out of bubble gum

you've bit off more than you can chew  
ah x6

you think you can hide from me  
it's too late i've already found out  
alright everybody come on, out on the dance floor

ah x2

this is what happens when you lie  
i never doubted you

you'll find some trouble tonight

sad is the homicide x2

i never doubted you x3

---
