

# Slow Down (VÃ-deo Remix Dustin Que)

Selena Gomez

Now that I have captured your attention  
I wanna steal you for a rhythm and affection  
Mr. T said I'm ready for inspection  
Show me how you make your first impression  
Oh! Oh! Can we take this in  
Slow! Slow!  
Break it down and drop it  
Low! Low!  
'Cause I just want to party all night in the neon lights 'til you can let me go! I just wanna feel your body right  
next to mine  
All night long, baby slow down the song  
And when it's coming closer to the end everyone  
All night long, baby slow down the  
Song blow blow  
Yeah! Baby slow down the  
Song blow blow  
Yeah! Baby slow down the song If you want me I'm accepting applications  
So long that we can keep this record on rotation  
You know I'm good at mouth to mouth resuscitation  
Breath me in breath me out so amazing!  
Oh! Oh! Can we take this  
Slow! Slow!  
Break it down and drop it  
Low! Low!  
'Cause I just want to party all night in the neon lights 'til you can let me go! I just wanna feel your body right  
next to mine
