Island Of Dreams

X-Perience

Here is my innocence
Island of dreams
Back to the simple roots
Back to extremesLive, live your life
You, you have to leave or to survive
If you feel weak - don't give up
Don't, don't give upHere is my innocence
Island of dreams
Back to the simple roots
Back to extremes, island of dreamsDon't get me wrong
We are growing up and getting strong
If you feel weak - don't give up
Don't, don't give upHere is my innocence
Island of dreams
Back to the simple roots
Back to extremes, island of dreams
