

# Bye Bye Boyfriend

Fefe Dobson

I've been lying  
To keep you from this pain  
Now your crying  
And to know that I'm to blame  
And I'll miss you  
But its over now I'm so sorry  
That it had to be this way  
Please don't hate me  
But there's nothing you can say  
To change my mind  
I've got to go...The guy that I fell for  
He wanted more...Bye bye boyfriend  
Its time that I'd be on my way  
Bye bye boyfriend  
I used to like the way you said  
Baby back it up  
Lay down and work It was fun but it couldn't last forever  
Bye bye pretty boy  
Its time to pack it up  
Don't blame me 'cause its over now Let me tell you how it was when we started off  
The tattoo's and the leap years  
And right sound that you used to rock  
Now baby everything you do and say is messed up  
Things have changed, down is up we're outta luck And baby I'm sorry  
That it had to be this way  
Please don't hate me  
But there's nothing you can say  
To change my mind The guy that I fell for  
He wanted more and more Bye bye boyfriend  
Its time that I'd be on my way  
Bye bye boyfriend  
I used to like the way you said  
Baby back it up  
Lay down and work It was fun but it couldn't last forever  
Bye bye pretty boy  
It's time to pack it up  
Don't blame me 'cause its over now You never put the effort in to the things that really counted  
A word here, and a kiss there  
Could change the way its turning out

You work so hard at all the things I never really cared about  
How hands work and fingers moving, eyes wide shut  
And baby I'm lonely  
Though your right in front of me  
You controlled me  
That was the girl I used to be  
I'm not myself  
Well its over nowThe guy that I fell for  
He wanted more and moreBye bye boyfriend  
It's time that I'd be on my way  
Bye bye boyfriend  
I used to like the way you said  
Baby back it up  
Lay down and workIt was fun but it couldn't last forever  
Bye bye pretty boy  
Its time to pack it up  
Don't blame me 'cause its over nowI'm backin' up  
Baby 'cause it's over nowPretty pretty pretty pretty boyfriend  
C'mon  
C'mon  
C'mon  
C'mon  
Baby back it up  
Lay down and work  
It was fun but it couldn't last forever  
Bye bye pretty boy  
It's time to pack it up  
Baby 'cause it's over now
