

# Gloria

## Enchantment

Gloria, my gloria, yeah things ain't been the same since you went away, yeah, yeah.....

Gloria, my Gloria, I don't want to see another day.....

Seems like only yesterday.....

I beheld your sweet face.....

Cause in my lonely room.....

Are memories of your embrace.....ahhhhhh

Gloria, Oh Gloria, yeah, things ain't been the same since you been away, yeah yeah.....

Gloria, Oh baby, I don't want to see another day.....

Isn't funny how time can change.....

All the things you once believed.....

But time won't change the way I feel.....

Cause in my mind, it's still you and me, you and me, ohhhhhhhh.....

Gloria, my Gloria, yeah, things ain't been the same since you went away.....

Gloria, my Gloria, yeah I don't want to see another day.....

I don't want to see another day.....
