Don't Call Me Baby

Client

Call me baby

The way isn't clear
The thing is I just don't know
You keep me hanging on and on and on
I wait by the phone
I wait all alone at night
You don't even call to tell me where you are

Don't keep me hanging on and on
Don't even tell me what's going on

I'm sick of all you're lying
I'm tired of non-stop crying
I'm bored of you're denying
Why don't you call me baby
I don't understand
The thing is I just can't see
You won't even introduce me to you're friends
I cannot control
This feeling so insecure
I think I want this masquerade to end

Call me baby

Don't keep me hanging on
