

# Disruptr

## Devin Townsend

I'm tired of waiting  
I'm tired of fading  
I'm sick of being depressed  
Through all the failing,  
I'm syncopating  
...At least it's off my chest

Disruptr.

Yeah,

You're kinda fading...

Don't be a baby

I'm sick of being obsessed.

Through all the mating,

Master debating

God knows I'd settle for less

But...

I come from the...

Center of the universe

And I have no time for these...Distractions.Disruptr.Sombody get me alone, I need to feel at home

I need a brain massage

Sombody get me a doctor, I ain't feelin' ill

...But I ain't feelin' this at all...no...

I COME FROM THE

CENTER OF THE UNIVERSE

AND I HAVE NO TIME FOR THESE

SYMPTOMS OF YOUR UNIVERSE

I COME FROM THE

...MASTER OF THE UNIVERSE

AND I HAVE NO TIME FOR THESE

DISTRACTIONS!!!So here's what it means to be, BE A MAN ABOUT IT

You DON'T forget the family, BE A MAN

And so what if it KILLS you, oh be a MAN about it

BE A GODDAMN MAN, BOY!...oh, be a man about it all...Let's go down to the beach

...we'll see the moon...I come for thee, 'master of the universe'...

And I have no time for these...

Symptoms of your universe...

I come for thee, 'center of the universe'...

And I have no time for these

Symptoms of your universe...

I COME FOR THE CENTER OF THE UNIVERSE

AND I HAVE NO TIME FOR THESE DISTRACTIONS!!! Slaving the way for the darks sons of ion...  
The world...the world isn't safe...SHUT IT.
