

# One Golden Curl

Wilf Carter

One Golden Curl: Wilf Carter

Where are the blue eyes that sparkle so bright  
Where are the arms that held me so tight  
Gone with the Angels, gone from this world  
Oh how I miss you my sweet baby girl

Chorus

One golden curl, one golden curl  
Sealed in a locket all covered with pearls  
One golden curl, one golden curl  
Just to remember, my sweet baby girl

How I remember the last thing she said  
Daddy dear daddy, please raise up my head  
I hear the Angels calling up there  
Please give my dolly a lock of my hair

Repeat Chorus

Beautiful blue eyes come back to me  
Youâ€™ll live forever in my memory  
Beautiful tresses ringed with soft gold  
Darling without you this world is so cold

Repeat Chorus
