

Corrina, Corrina

Mississippi John Hurt

I left Corrina way across the sea
Lord, I left Corrina way across the sea
She wouldn't write me no letter
She don't care for me

Oh Corrine
Where you been so long
Oh Corrina
Where you been so long

Corrina, Corrine
Where'd you stay last night
Oh Corrina, where'd you stay last night
Come in this morning, clothes ain't fitting you right

Oh Corrine
Where you been so long
Oh Corrina
Where you been so long
