Ghost In This House

Shenandoah

I don't pick up the mail
I don't pick up the phone
I don't answer the door
I'd just as soon be alone
I don't keep this place up
I just keep the lights down
I don't live in these rooms
I just rattle aroundI'm just a ghost in this house
I'm just a shadow upon these walls
As quietly as a mouse I haunt these halls
I'm just a whisper of smoke
I'm all that's left of two hearts on fire
That once burned out of control
It took my body and soul
I'm just a ghost in this house
I don't mind if it rains
I don't care if it's clear
I don't mind stayin in
There's another ghost here
She sits down in your chair
And she shines with your light
And she lays down her head
On your pillow at nightI'm just a ghost in this house
I'm just a shell of the man I was
A living proof of the damage heartbreak does
I'm just a whisper of smoke
I'm all that's left of two hearts on fire
That once burned out of control
It took my body and soul
I'm just a ghost in this house
I'm just a ghost in this house
I'm just a shadow upon these walls
As quietly as a mouse I haunt these halls
I'm just a whisper of smoke
I'm all that's left of two hearts on fire
That once burned out of control
It took my body and soul
I'm just a ghost in this house
Oh-oh, I'm just a ghost in this house
