

Little Love Letter #1

Carlene Carter

{[inaudible]
It's pretty cool}
This is a little love letter
My answer machine is feelin' lonely and blue
'Cause it ain't had a message in an hour or two
And my fax machine has tears in its eyes
'Cause there ain't no words burnin' through its wires
Is it somethin' I did?
Is it somethin' I said?
Is it somethin' I sang?
Or is it somethin' you read?
Come clean with me or else instead
I'm gonna wash my hands of you
Hey, like Elvis said, "We're goin' separate ways"
I'm gonna wash my hands of you
