

# The Gun Show

## In This Moment

Welcome to the gun show Hey cowboy how's it going tonight?  
Come on in and you can buy me a drink  
Hey cowboy I see your pistol is cocked  
And you got a look on your face like you want to rock Welcome to the gun show  
Tonight we get wild  
Welcome to the gun show  
Where the dead come alive  
(Where the dead come alive) Hey cowboy I hope you're fast  
'Cause I'm the baddest gunslinger in the west  
Hey outlaw, follow me outside  
And keep your fingers on the triggers while we put you under Welcome to the gun show  
Tonight we get wild  
(Tonight we get wild)  
Welcome to the gun show  
Where the dead come alive  
(Where the dead come alive) It all comes down to a single moment  
The strong will fight and the weak will run  
Slide the bullet in the barrel  
Let me see you count to ten and draw your guns Showdown  
May the best man win  
May the best man win  
May the best man win Welcome to the gun show  
(Welcome to the gun show)  
Tonight we get wild  
(Tonight we get wild)  
Welcome to the gun show  
(Welcome to the gun show)  
Where the dead come alive  
(Where the dead come alive) Welcome to the gun show  
(Welcome to the gun show)  
Welcome to the gun show  
(Welcome to the gun show)  
Welcome to the gun show  
(Welcome to the gun show)  
Welcome to the gun show  
(Welcome to the gun show) Come on cowboys  
Come on cowboys
