

# She's Money

Casey James

You can take everything that I own  
You can take everything that Iâ€™ve ever known  
You can clean out the bank  
Burn it all up in flames  
Take it all and run, Iâ€™ll be okay  
â€™Cause I donâ€™t need a thing

â€™Cause sheâ€™s money  
Well sheâ€™s silver and gold  
Pure honey  
So good for my soul  
Whether rain or sunny  
Sheâ€™s money  
Sheâ€™s money baby

All the green that I need in her emerald eyes  
I got empty pockets babe, but I still get by  
My ride ainâ€™t fancy but she donâ€™t care  
That donâ€™t matter, long as itâ€™ll get us there  
And thatâ€™s why

Sheâ€™s money  
Yeah, sheâ€™s silver and gold  
Pure honey  
Well, so good for my soul  
Our love is free  
Sheâ€™s all that I need  
Whether rain or sunny  
Sheâ€™s money

Sheâ€™s money  
Well, sheâ€™s silver and gold  
Pure honey  
Well, so good for my soul

Sheâ€™s money  
Well, sheâ€™s silver and gold  
Pure honey  
Well, so good for my soul  
Our love is free

Sheâ€™s all that I need  
Whether rain or sunny  
Sheâ€™s money
