

I'm Not Made of Eyes

General Fiasco

I'm not made of eyes
I can't see what's going on all the time
And I know
We, we should stay inside

Stay awake
Yeah don't let on it's the night
Cause I know, we'll

I'm not scared of the dark
I'm not scared of the dark

Save me now
I've started fading
Let me down
I'm losing sight of it
Save me now
I've started fading
Let me down

I've been watching stars
I've been wondering why we've been here for hours
And I know we,
We've been holding out
We've been going strong
They turned on us now
And I know, well

I'm not scared of the dark
And I'm not of the

Save me now
I've started fading
Let me down
I'm losing sight of us
Save me now
I've started fading
Let me down

Im not scared of the dark

And I?m not scared of the dark

I?ve been letting go

I don?t see

I don?t care, care if they know what I know

Well

And I?m not scared of the dark

And I?m not scared of the dark

I?m not scared of the dark

And I?m not scared of the dark

Save me now

I?ve started fading

Let me down

I?m losing sight of it

Save me now

I?ve started fading

Let me down

I?ve been taken far

I?ve been waiting hours

I?ll be where you are

Be where you are
