

Morning Side of the Mountain

Dandy Livingstone

Marie: There was a girl

Donny: There was a boy

Donny: There was a girl, there was a boy

If they had met they might have found a world of joy

But he lived on the morningside of the mountain and she lived on the twilight side of the hill

Marie: They never met, they never kissed

They will never know what happiness they've missed 'Cause he lived on the morningside of the mountain and
she lived on the twilight side of the hill

Both: For love's a rose that never grows without the kiss of the morning dew

And every Jack must have a Jill to know the thrill of a dream that comes true

Donny: And you and I are just like they

For all we know our love is just a kiss away

Marie: But you are on the morningside of the mountain

Donny: And you are on the twilight side of the hill

Both: And you and I are just like they

For all we know our love is just a kiss away

Marie: But you are on the morningside of the mountain

Donny: And you are on the twilight side of the hill

Marie: There was a girl...

Donny: There was a boy...
